

Hi Neighbors,

We're thrilled to announce this year's **East Spring Lake Kids' Holiday Party on Sunday, December 14th at 2:00 PM!**

This year, we're doing something special — focusing on **the gift of giving**. Here's what we have planned:

Waffles & a Movie: We'll kick things off with delicious waffles and a short showing of *Olaf's Frozen Adventure*.

Card-Making Station: Kids can create cheerful cards for children at **Children's Healthcare of Atlanta**.

Utensil-Wrapping Station: We'll assemble utensil sets wrapped with ribbons to donate to local **Community Shelters**.

Gift Shop: Children can "secretly" purchase small gifts for their loved ones for just **\$1 each** (we'll have helpers to assist them). 100% of proceeds will be donated to **MUST Ministries**.

To make this event a success, we could use your help!

We're collecting:

- **New or like-new small items for the \$1 gift shop.** Examples could include anything you or your family might like to receive as a gift - toys, candles, coffee mugs, socks, stuffies, coasters, you name it.
- **Plastic utensils and napkins (any color) for our utensil-wrapping station**

Donations can be dropped off any time before December 13th at **5082 Spring Rock Terrace NE(front porch)**.

Thank you so much for helping make this a meaningful and fun event for our neighborhood kids! Please don't hesitate to reach out with questions.
