ESL Summer Scrapbook

President's Corner

Hi ESL,

Even as September rolls in, it still feels like the height of summer here. The afternoons are long, the grass is thirsty, and fall's cooler mornings haven't shown up yet. They're coming though, and I'll admit I'm looking forward to that first crisp evening on the porch just as much as you probably are.

I also want to share something close to home for me, literally. I live right on one of our four way stops, and I see every day how many drivers roll through without fully stopping. Please give it that extra second or two, come to a complete stop, and look both ways. Talk to your kids about it too, since they'll be driving one day and habits start early. It's a small thing that keeps all of us, and the neighbors we love, safe.

Have a great fall,
Jake Barron

The Rankin Family

*Lexi and Jay
Grady (16 months)*

Lexi and Jay recently moved to ESL with their 16-month-old son, Grady. When they happened upon their current home and drove through the community, they were instantly captivated by the beautiful entrance and scenic surroundings. The Rankin family has enjoyed settling into the neighborhood, spending time at the pool, spotting the community's resident geese, and getting to know their friendly neighbors. They also share their home with two dogs, Max and Savannah, and two cats, Grayson and Piper. Lexi is originally from Connecticut, while Jay is from Texas.

Megan Harsh & Michael Bartz

Megan and her husband, Michael, moved to the area from Marietta after getting married. Megan is originally from Michigan, while Michael is from Alpharetta. They enjoy cooking out, playing games, and spending time with their German Shepherd, Cooper. They are always looking for others interested in playing euchre or cribbage. Megan also enjoys playing mahjong and would love to connect with a local group. While they were initially drawn to ESL because of its convenient location, they have come to truly appreciate their neighbors and the beauty of the community.

Glenna Teague & Nathan Harris

Nathan and Glenna recently moved to East Spring Lake from Ventura, California. Nathan is originally from Chapel Hill, North Carolina, and together they enjoy spending time outdoors through activities like hiking and cycling. They also share a love of travel and exploring new places. The beautiful setting of ESL and its proximity to Canton Street made it the perfect place to call home. Since moving in, they have been overwhelmed by how welcoming and friendly the community has been and have especially enjoyed meeting neighbors while walking their dogs, Milo the greyhound and Tippi the miniature dachshund.

Welcome to ESL!
